Uprights in powder-coated steel rod with upper cap in translucent high-tech polymer. With joints and foot in chrome-plated steel for wall-fastening.

Montant en rond d'acier peint époxy avec protection supérieure en technopolymère translucide. Avec joints et vérin en acier chromé pour fixation murale.

La flessibilità dei pannelli Arianna permette di ottenere configurazioni dritte o curve semplicemente avvicinando o allontanando i montanti.

The suppleness of Arianna panels allows to obtain straight or curved compositions, simply by moving the uprights closer or away.

La souplesse des panneaux Arianna permet d'obtenir des compositions droites ou courbes par simple déplacement des montants.

I pannelli cod. 6310, 6310-M, 6312, 6312-M possono facilmente essere personalizzati tramite stampa serigrafica o stampa digitale. Poiché il pannello è semi-trasparente, la stampa è possibile su un solo lato.

The panels codes 6310, 6310-M, 6312, 6312-M can be easily customized through screen printing or digital printing. Since the panels are semitransparent, the printing is possible on one side only.

Les panneaux réf. 6310, 6310-M, 6312, 6312-M sont facilement personnalisables grâce à l'impression sérigraphie ou numérique. Vu que le panneau est semi-transparent, l'impression n'est possible que d'un seul côté.
